

EUROPEAN EXHIBITION OF CREATIVITY AND INNOVATION EUROINVENT

IAȘI – ROMANIA

XIVth Edition, 26th – 28th May 2022

The **14th Edition of EUROINVENT** - Festival of Creativity - will take place in **Iasi, Romania** from **26 to 28 of May 2022** at **Palace of Culture Iasi (on-site and on-line** – according to the regulations on the date of show).

The exhibition promotes creativity and innovation in international context and is being organized under aegis of **IFIA International Federation of Inventors' Associations** – and **WIIPA World Invention Intellectual Property Associations**.

The last edition (2021) showed **over 500 inventions and projects, from over 30 countries** being the largest in Eastern Europe.

During EUROINVENT leading inventors, researchers, engineers and scientists will present actual research issues in all fields of research.

Event purposes: Dissemination of research results; partnerships and agreements; creating and developing new research ideas; Technology transfer; Implementation of inventions, scientific recognition.

Under the auspices of EUROINVENT we organize:

- 1. Inventions and Research Exhibition** (you can present inventions & projects and receive Medals and Special Awards – **Grand Prix 10.000 LEI**)
- 2. International Conference on Innovative Research (ICIR)** (presentation and publication of scientific articles on field of Materials Science and Engineering (**Web of Science & Scopus Journals**))
- 3. Technical-Scientifically, Artistic and Literary Book Salon** (evaluation of publications)
- 4. European Visual Art Exhibition**

All inventions and research projects details will be published in EUROINVENT Proceedings (ISBN).

The International Jury will evaluate all registrations and will award: **Bronze/Silver/Gold Medals, Special Prizes and Special Awards** from International Officials.
